

STATE'S EXHIBIT K.

Specimen of Frank's handwriting made by Frank for the detectives at the police station.

He said he would
love me laid down, play
like the night which did
it, but that long tall
black negro did buy
himself

Man that negro fire
down here did that when
I went to make water and
he pushed me down a hole
a long tall negro black that
had it

(J.N.S.)
